

Response to FEC Letter dated September 7, 2006

FEC ID# C00279851

Reference: July Quarterly Report (5/18/06 - 06/30/06)

When contributions from individuals reach \$200.00 for an election cycle, each subsequent contribution from that individual is itemized. In a case where two contributions may share a common name, the committee verifies that the individuals named are not the same by sending a letter verifying the address of the individual contributor.

The International Union of Bricklayers and Allied Carftworkers PAC was in advertently identified as the Bricklayers and Allied Craftworkers PAC on the April 15th Quarterly Report (3/23/05). The name was corrected and the aggregate election-to-date totals are correct.

A \$1,000.00 Candidate Committee Contribution was inadvertently keyed as a Party Committee Contribution and was corrected and amended in the '06 Pre-Primary Report. Figures were corrected -- line 11(b) decreased by \$1,000.00 and line 11(c) increased by \$1,000.00.
